

CORE ATTRIBUTES

SKU	OSRB-75
Name	Sustayn Biodegradable* 16"x18" Oil Only Heavy Sorbent Pads (100 ct)

MARKETING

Features & Benefits	• *Biodegrades up to 3x faster than standard meltblown pads tested in landfill-simulated conditions per ASTM D5511 • Made from 90% recycled content, reducing landfill waste and reliance on virgin resources • Quickly locks in oil, chemicals, and spills with durable, tear-resistant, nonwoven fibers without sagging, leaking or disintegrating • Helps minimize long-term environmental impact and supports circular economy efforts

PRODUCT INFORMATION

Absorbency (Gal)	27
Absorbent Type	Oil Only
Brand	Sustayn
Cases Per Layer	6
Embossing/Bonding	Dimpled
Grade/Weight	Heavy
Layers Per Pallet	6
Perforations	T
Product Category	Sorbent Pads and Rolls
Shipping Height (in)	15.6
Shipping Length (in)	16.5

Shipping Width (in)	18.5
UPC	810042429154
Web Weight	13.59
