For further details on admission requirements see our website: www.auckland.ac.nz/entry-requirements.

This calculation is intended to provide you with an indication only and does not form part of an Application for Admission to the University of Auckland. All applications are subject to the University's admission and selection criteria.

This calculation is based on the University Entrance and Rank Score calculation requirements for the next available semester intake. These requirements may change for future years. Please see the entry requirements on our website (www.auckland.ac.nz/entry-requirements)

Unused credits may be due to them being outside of the maximum number of credits included (a maximum of 80 credits across 5 approved subjects with no more than 24 credits per subject) or alternatively the standard may not be part of an approved subject.

For further information regarding what standards are or are not part of an approved subject please speak to your school or the NZQA.
