#	PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
1	Whether companies from Outside USA can apply for this? (like, from India or Canada)	Firms outside the United States may propose if they can meet the requirements of the RFP. But any and all data centers utilized must be located within the continental United States.	General
2	Whether we need to come over there for meetings?	Meetings and training can be done remotely via phone/web.	General
3	Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)	Assuming the submitter can meet the requirements of the work, home office location is negotiable.	General
4	Can we submit the proposals via email?	See instructions in RFP 071682, Attachment A on page 9, Submittal Process	Attach A
