Make an IMPACT

SUPPORT IDEAS

Here are some ideas for raising support that you can work on as an individual or with your mission team. Please find an alternative location other than North Coast Church for these events.

- Community focused events: Restaurants (Rubios or other that will donate proceeds), Movie nights, pancake breakfasts.
- Digital campaigns: social media
- Craft fair/DIY items for donation
- Support letters
- Destination dinner: cook a meal from the country you are traveling to. Invite donors to join you as they enjoy the food and donate toward the trip.
- Game/Trivia Night - trivia centered around the region of travel, provide a party type environment and ask for donations from those that attend.
- Christmas Gift Wrapping - with the opportunity to donate.
- Create a Support Team - invite others to pray and support you.
- Ask your Life Group members to support the mission.
- Offer homemade desserts, candy, etc. with an opportunity to donate.
- Host a dinner with a silent auction. Offer tickets to the event for a

donation and ask businesses to donate items to auction off.
