Further Reflection for 12/27

1. How would you have responded if you found yourself in Joseph or Mary's shoes? Would you have the faith to say yes?
2. What part of your story feels like it just won't conclude even when you think it is over?
3. What trial are you facing that requires the most endurance?
4. Reflect on the times in your life that have made you into the person you are today... were the easy or difficult?
5. How would your life change if you could find joy in the writing of the story rather than pain because of the chapter you are in?
