## Further Reflection - 2 John

1. Read 2 John
2. What does John mean by walking in the truth?
3. What is the command that John says we have had since the beginning?
4. How do we model that command in practical ways?
5. What teaching is John concerned about and why is he concerned about that?
6. When we think about the last lines of John's letter and he says there is much more he wants to say, but wants to do so in person, why is in person so much more valuable than in a letter (or electronically in our day)?
