

## FROM DAY TO DAY

*Yet the inward man is renewed day by day.*  
—2 Corinthians 4:16

There is one lesson that all young Christians should learn, and that is the absolute necessity of fellowship with Jesus each day. This lesson is not always taught at the beginning of the Christian life, nor is it always understood by the young convert. He should realize that the grace he has received—the forgiveness of his sins, his acceptance as God's child, his joy in the Holy Spirit—can only be preserved by daily renewal in fellowship with Jesus Christ Himself.

Many Christians backslide because this truth is not clearly taught. They are unable to stand against the temptations of the world and of their old nature. They strive to do their best to fight against sin and to serve God, but they have no strength. They have never really grasped the secret that the Lord Jesus in heaven will continue His work in them every day, but only on one condition: every soul must give Him time each day to impart His love and His grace. Time alone with the Lord Jesus each day is the indispensable condition of growth and power.

Read Matthew 11:25-30. Christ says, "*Come unto me...and I will give you rest...learn of me...and ye shall find rest unto your souls.*" (vv. 28-29). The Lord will teach us just how meek and humble He is. Bow before Him, tell Him that you long for Him and His love, and He will let His love rest on you. This is a thought not only for young Christians, but also for all who love the Lord.

If you desire to live this life of fellowship with Christ, if you wish to enjoy this blessed experience each day, then learn the lesson of spending time each day, without exception, in fellowship with your Lord. In this way, your inner man will be renewed from day to day.
