# Missionaries

**Scott Gardner**

Scott is the Media Services Manager, working in the AFCI International Office in Atlanta, GA. As Media Services Manager, Scott brings to AFCI his blend of design and technical skills, in addition to his ability to teach and to train effectively. He has been an instructor at AFCI events in Spain, Cuba, Thailand, Cambodia, as well as the USA. Scott graduated from Moody Bible Institute, and continued his studies at Loyola University in Chicago where he received a Bachelors in Cross Cultural Communications. He has also pursued language studies in Austria and Spain.

**Gene & Martha Purvis**

This energetic couple served 12 years as church planters in Costa Rica before returning in 1998 to the USA. God then lead them to minister among the burgeoning immigrant Hispanic population right here in the States. They now reside in Kathleen, GA. and began a new Hispanic church plant in Perry, GA. Gene has served as the Hispanic USA field director, USA ministry coordinator, and, most recently, the USA country facilitator for AVANT Ministries International. Gene is married to Martha and they have two sons and three grandchildren. Gene has a Masters in Nuclear Engineering and Evangelical/Church Planting.

**Chad & Becky White**

Chad and Becky have been members of Wycliffe since 1999. Chad is the application administrator for the Ethnologue. He oversees development and maintenance of our systems and applications which include the website, Ethnologue.com, the databases, the editorial interface and several wikis. He also typesets the three volume printed edition of the Ethnologue. Chad and Becky have 5 children: Josiah (22), Micah (20), Ethan (19), Tirezah (10) and Eliyana (2). They live near Atlanta, GA.

**Lawrence & Barbara Trumbower**

Lawrence and Barbara were missionaries in Puerto Rico for many years. Their ministry goals were to make known the Word of God and its message of salvation to as many individuals as possible. The means by which they did this was through three Rock Radio Network stations. However, it is a time of change for them both. The arrangement between GMI and another organization, Calvary Evangelistic Mission (CEM), has come to an end. They both are looking at other options where they can serve.
