Philippians

summer sermon series

Isn't it good to know we're not in this alone?
We need people praying for us, encouraging us,
exhorting us, and pointing us to Jesus.

Today we begin our summer sermon series in which we'll see the missionary and church planter, Paul, do those things in his letter to his gospel partners in the city of Philippi.

As we go through the book of Philippians, we will find that what God said through Paul in the 1st Century is incredibly relevant for us today in the 21st Century.
