

## Applying God's Word

*Use the questions below for personal reflection or discussion with your family or friends as we seek to not only hear the word but believe it and live accordingly. .*

1. In what ways have you noticed in yourself a turn inward or more of a self-focused kind of living during the circumstances caused by the pandemic?
2. God's people had begun to ignore God's priorities and focus on themselves and it wasn't going well (**Haggai 1:1-6**). What did call them to do (**Haggai 1:7-11**)?
  - God doesn't call us to build a physical temple because we are now the temple (see **1 Corinthians 3:16; 2 Corinthians 6:15; Ephesians 2:22**). What does it look like to obey a command like we see in **Hebrews 10:24-25** and prioritize worshiping God together as the body of Christ during this season?
  - Some are unable to gather with the body of Christ physically at this time. Who could you call or text right now to check in on and encourage?
3. In **Haggai 2:1-9**, God promises His people His presence, His glory, and His peace. How is Jesus the fulfillment to those promises according to **Hebrews 1:3** and **Romans 5:1**? Do you trust in Jesus? What difference has that made in your life over the past few months?
