Prophetic Words 2019

"It's Your Time! Sky's the Limit!"

Angela Greenig, Auburn, WA

Bringing Light to the Hidden Things

At the end of December 2018, I had a vision in which I saw a huge hawk swooping down from high, thrusting down into the grass, to grab snakes that were hiding there away from plain sight. I believe the Lord was showing me that the snakes are like the enemy's attacks against your life. **I believe the hawk represents how the Lord wants to reveal to you what is hidden and bring exposure to it, so that it can be eradicated and rendered powerless in your life.**

Breaking Down 5779

I did some research on the Hebrew year, 5779, that we are in and found that the year 5779 is part of the "Ayin" decade (2010-2019), and that the letter "Tet" has the numerical value of 9. The pictograph for "Tet" looks like a snake coiled inside a basket. This symbolism signifies "the seeing eye that can detect the snake." Once I read this, I received so much confirmation from the Lord about the vision I had and the promises the Father has in store for us.

Breaking down the year 5779 further, we find that the number 57 in Hebrew means "mourning," and 79 means, "to wrestle." I feel the Father is speaking to those who have been in the trenches of warfare, wrestling for promises and feeling heavy-laden from the fight, **"Hold**

on! Do not give up hope! Come up higher, and you will see your enemies devoured in 2019."

I believe we will see one of the greatest revivals in 2019. The challenges in your life that have held you back will fall. Threads of past failures, hurts, and rejections will wither away as His love fills you with a faith like never before. This year will also bring the greatest years of angelic visitation that we have ever witnessed! These angels will be like the hawk in my vision, coming to help remove the obstacles the enemy has placed before you. The boundaries of captivity will be destroyed.

The sky is the limit to what you can have when you pray and believe. This is your time.

2019 = Radical Faith & Redemption

Numbers are very symbolic. If we break down the year 2019, the number 20 represents "redemption," and the number 19 represents "faith." The Lord says that we will reap a return to us for what has been stolen. He is redeeming the cries of His people. Faith will arise in ways that we can't even dream about. The impossible will become possible.

I believe radical faith is arising all throughout America and other nations! I hear the Father saying, **"You will see stadiums filled with My glory. You will see Me moving obstacles – mountains that have been in your way that seem impossible to move."** (God called us to have faith that could move the mountains.) **"Have faith in Me,"** says the Lord. **"Tell My sons and daughters that it is time to walk by faith, and to stop walking by sight. You don't have to walk by sight! You walk by My Word, My power, My fire, and by My Spirit,"** says the Lord. **"I will breathe on you a fresh fire – get ready!"**

I think we should be excited about this season...I sure am! There is going to be the most radical outpouring of faith and evangelism, and prophetic releasing of God's destiny upon His people. I believe we will see a major paradigm shift that will take place throughout the lands. This is our time to move and breathe and release the fire and the faith to work miracles, signs, and wonders that will touch and impact the land for His glory.

Wisdom & Preparation to Fulfill Your Dreams

God says, **"You will receive wisdom to make and fulfill the destiny and dreams within your lives – dreams that you may have thought were aborted or stolen, dreams that you thought you had laid down."** God says, **"You will walk in a greater power of the Holy Spirit. For many people, this is your year of favor, and the IMPOSSIBLE becoming possible."**

The previous two years have been a time of alignment and preparation. They have been vital to the purposes and plans that God has in store for each one of us. These plans will be revealed in their fullness this year as we pray, seek, and pay attention to the Spirit's move. Also, God's divine perfection/law/orders had to be in place, not only in the natural but in the spirit as well.

"D.E.R."

I kept seeing the letters "D.E.R." over and over as I prayed into the year 2019. I kept hearing them as an acronym for the Father's promises for this year:

see in the back of the page

continue from front page:

D: "Deliver My Gospels, as they will ignite the Fire of My Holy Spirit."

E: "Evangelize. Go and speak My Word and draw in the lost. Instead of hundreds, you will see thousands."

R: "Revival. You will see My Spirit unleashed within stadiums all over the world. Where there has been 20,000 or more coming for prayer in the past, you will begin to see city-wide revival. Evangelists will be teaching, training, and releasing Kingdom power and authority that will set ablaze the landscape of every step you take. The city will be yours!"

The Year of the Prophet, the Evangelist, the Father & the Mother

I believe 2019 will be a year of the prophet and evangelist. It will be a year where fathers and mothers will take their rightful seats of authority at God's table. There will be a spiritual change this year that will charge the atmosphere.

A Return of the Prodigals

Many prodigals are and will come home this year. Many of those "returning home" will help us to release the E.R.A. (Evangelistic Radical Army). It's the year of fulfilling the harvest. In the absence of order, chaos erupts. Evangelism will rise and shine upon those in great darkness and release peace and help establish order. The Kingdom is primarily an assertion of divine power in action.

The Year of the Sickle

"Arise, sons and daughters, [from the depression and prostration in which circumstances have kept you – arise into a new life]! Shine (be radiant with the glory of the Lord), for your light has come, and the glory of the Lord has risen upon you!" (Isaiah 60:1 emphasis mine)

This is the year of the sickle, the year to be put onto the fields. The new season is here, and it's now. It will take faith to step into the fullness of what God has called and ordained for you. **Many of you have an uncommon seed that will produce an uncommon harvest!**

"For behold, darkness shall cover the earth, and dense darkness [all] peoples, but the Lord shall arise upon you [O Jerusalem], and His glory shall be seen on you" (Isaiah 60:2).

He's rising upon you right now! **You have purpose in His Kingdom; what you do with this seed and the year ahead will be determined by you.** If you keep the seed (your destiny, business, family) in your hands, God cannot activate the fullness of His blessings and goodness.

This year, determine in your soul (your mind, will, and emotions) that this is the year you succeed in all that you do. Speak to the mountains and the circumstances in your life. Decree and speak into those things that have not yet happened that they will. I believe that God is daring us to dream again. The writing is on the wall, and losing is not an option. Far too long many have settled for status quo, barely getting by...but getting by.

"For he who sows to his own flesh (lower nature, sensuality) will from the flesh reap decay and ruin and destruction, but he who sows to the Spirit will from the Spirit reap eternal life." (Galatians 6:8 AMPC)

"And nations shall come to your light, and kings to the brightness of your rising...Lift up your eyes round about you and see! They all gather themselves together, they come to you. Your sons shall come from afar, and your daughters shall be carried and nursed in the arms. Then you shall see and be radiant, and your heart shall thrill and tremble with joy [at the glorious deliverance] and be enlarged..." (Isaiah 60:3-5 AMPC)

This new season will be just that: new and refreshing. You will step into your destiny!

I hear the Lord say, **"I am releasing a transfer of the kingly/priestly anointing on My sons and daughters. Are you ready to receive it?"**

Till the end,
