DEFINE THE RELATIONSHIP

Further Reflection for 8/4

1. When is a moment you were in a situation that you needed to "define the relationship" with someone or something else?
2. Read John 10:22-42
3. What jumps out to you from the text?
4. Why do you think the Jews asked Jesus if he was the Messiah? Were they genuinely curious or did they have ulterior motives?
5. When have you asked a question a different way or time, wanting a different answer?
6. Share your understanding of how important verses 29 and 30 are.
7. Jesus points out that his words and actions match up. Why is that often difficult for most people? Why might Jesus be a model of how those two things should line up in our lives? What is one thing you could do, to begin to make your words and actions line up?
8. When Jesus needed a break he went to a place that had spiritual significance. What is a place in your life that you can do that? Why does that place carry that significance for you?
9. This week, spend a few minutes each evening asking God to reveal any area of your life that you need to be changed so that your words and actions line up. Begin each morning asking God to help you live connected to the Holy Spirit and to live in deep relationship with Him.
