**Key Prophecy: "GOD says, 'WATCH and SEE! This is your MIRACLE SEASON!'"** Anne Marie Molster and Amie Rogers

### The "Sound Booth Moment"

There are many who have felt as though their thoughts, words and prayers have been falling dead, as if they were standing in a sound booth. In this "sound booth moment," even though it has felt frustratingly silent, the Lord is saying, "It may have been silent, but you forget that even in the sound booth moments, there is still a microphone. This microphone has been connected to My ears and My heart. I hear you and your cries. I am taking care of it all; in all that worries you, I am bringing a solution. Everything that needs to cease, I am bringing to an end. All injustices and dishonor are being replaced with justice and honor. I am fighting for you. Your dreams are My plans.

"You may be battling through frustration and tested faith, but you can trust My promises. They are unbreakable. I will never let you down and I will never leave things undone. I will never allow others' fears to dictate the outcome of your life. Stay surrendered in your trust in Me. Your rest and trust in Me moves more mountains than you know. My plans and purpose over you WILL BE! Feast with Me at My table and you will see it all come to pass."

### The Weight of Our Words

*"In the beginning God created the heavens and the earth. Now the earth was formless and empty, darkness was over the surface of the deep and the Spirit of God was hovering over the waters. And God said, 'Let there be light,' and there was light." (Gen. 1:1-3 NIV)*

We have entered a time where we need to recognize the weight of our words, acknowledging the weight of Heaven that exists within them. Our words have the ability to either create or dismantle another's faith, hope or belief. Therefore when we do speak, we need to be sure the words are from the Lord and not our own.

We cannot continue to be thoughtless or irresponsible in our speaking, and we need to stop feasting on featherweight, feel-good words. We need to crave correction as much as we crave encouragement. These past six months have been a time of preparation for those willing to receive it – for those willing to surrender to the correction and sharpening of the Lord. Any filters over our eyes and ears have been removed in order for us to discern every angle in which things are presented. (Photo via Pixabay)

### The Time of the Dividing Line: Truth vs Deception

This is a time of the dividing line. This dividing line is not in rejection but of loving correction; it is the dividing line of truth versus deception. We have allowed the veil of "acceptance" to sweep in and blur these black and white lines so much, that many of us have found our feet walking on gray ground. These lines will be defined once again with the truth of the Word. Those who fully understand it will speak the truth and it will draw defined lines that will bring an understanding to others as well. We must step forward, humble, teachable and willing to receive this.

*"I know your works, that you are neither cold nor hot. I could wish you were cold or hot. So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth... He who has an ear, let him hear what the Spirit says to the churches." (Rev. 3:15-16, 22 NKJV)*

*"For the Word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. Nothing in all creation is hidden from God's sight. Everything is uncovered and laid here before the eyes of Him to whom we must give account." (Heb. 4:12-13 NIV)*

The Lord says, "The preparation time is coming to a close. You have done things one way up to this point, you have communed with Me, you have been broken and crucified, you have been placed in grave clothes and shut away behind My rock. But NOW!

**Now is the time I am removing it all! You have remained in obedience to My promptings and instructions and you will remain so in My revealing. Things have shifted in you and around you and they will never be the same. The only constant is that it is all in My hands and all in My plans!"**

### **It is a Miracle Season!**

The Lord says, "Just as I spoke creation into existence, I am speaking to your impossible situations to become possible – resurrected, restored, whole and full of My glory! You won't speak, look or function in the same way you used to. You are carrying My presence everywhere you go; where you go you will be led by My voice. You will not falter and you will not fail.

"It is miracle season! This is your truth to declare – birthed out of your trust in Me. You may have experienced your faith being tested, but even in your momentary doubts, you spoke to Me saying, "I trust You." Your words in brokenness carried My weight; the weight of Heaven. Every word spoken has the ability to create. Your words with My power have created the manifestation of "possible" over the "impossible." Watch and see! **THIS IS YOUR MIRACLE SEASON!"**

### **This Land is God's Land**

At some point in this world's history, in every continent, country, state and province, there has been a child of God who made a covenant with God by dedicating that land to Him and declaring His ownership of it. The Lord is still faithfully holding onto those covenants and is moving to fulfill a new part of them now! He fulfilled them when they were made, but we all know everything He says and does is multi-faceted, multi-purposed and multi-generational. **This is a new moment in time to witness and partake in this new manifestation of His covenant over our lands. As He moves in every place, we will all see that His covenants with our ancestors and ourselves are in fact unbreakable. We are about to see unprecedented movements in government positions and offices that will leave previous predictions to fall flat. While some may appear negative in the beginning, the purpose of these movements will be revealed.**

As the Lord's Bride has been awakened, He has placed the mantle of territorial authority on each one willing to accept it. He is commissioning each of us to take it! It's time to stand up, Church! Stand up, Bride of Christ, and command the attention of those in the room! It is time!

***"I Am the Alpha and the Omega,' says the Lord God, 'who is, and who was, and who is to come, the Almighty.'" (Rev. 1:8 NIV)***

***"Looking unto Jesus, the author and finisher of our faith ..." (Heb. 12:2 NKJV)***
