

POWER EVERYWHERE. THAT'S OUR CHARGE.

PowerSync+ Station®

The PowerSync+ Station allows you to remotely check connected iPad devices, freeing up time for you to focus on other tasks.

PowerSync+ App-Enabled

Remote Status

With the PowerSync+ app for iPhone, receive alerts when devices are fully charged or when a station goes offline.

Size Matters

Compact Footprint

Perfect for desks and countertops for a multitude of iPad devices, our PowerSync+ Station is designed for the most optimal use of space, fitting compactly into most any setting.

Full-Time. Full-Rate.

Simultaneous Charge and Sync

Provide maximum charging rate to your devices, even while connected to and syncing via your Mac.

Next Generation Security

Beyond the all steel construction, each PowerSync+ Station can notify you via the PowerSync+ app when devices are removed.

Ready to Use

Built to last, each unit is fully-welded with USA-sourced steel. Ships fully assembled with pre-installed cables, ready to use.

Stack Your Power

Multiply your device capacity with the ability to daisy-chain stations.

Unmatched Safety

Our PowerSync+ Stations are UL listed, ensuring the highest level of safety.
