

POWER EVERYWHERE. THAT'S OUR CHARGE.

PowerSync+[®] Cart

The PowerSync+ Cart allows you to remotely check connected iPad devices, freeing up time for you to focus on other tasks.

PowerSync+ App-Enabled Remote Status

With the PowerSync+ app for iPhone, receive alerts when devices are fully charged or when a cart goes offline.

Size Matters Compact Footprint

Designed to optimize space, our PowerSync+ Carts maneuver easily through standard doorways and store a wide array of iPad devices.

Full-Time. Full-Rate. Simultaneous Charge and Sync

Provide maximum charging rate to your devices, even while connected to and syncing via your Mac.

Next Generation Security

Beyond the all steel construction, each PowerSync+ Cart can notify you via the PowerSync+ app when devices are removed.

Ready to Use

Built to last, each unit is fully-welded with USA-sourced steel. Ships fully assembled with pre-installed cables, ready to use.

Configure & Sync

Works with Apple Configurator to refresh devices with the latest software updates and applications for your school or business.

Unmatched Safety

Our PowerSync+ Carts are UL listed, ensuring the highest level of safety.
