

POWER EVERYWHERE. THAT'S OUR CHARGE.

# CUBE<sup>®</sup> Cart

## for MacBook and iPad

Keep devices charged, secured and managed with the latest advances, innovations and safety requirements for deployment and provisioning of your iOS devices.

### Eco-Efficient Charging

#### On-Demand Charging Needs

Devices are charged quickly and safely through a digital timer, each cart harnessing power from a single wall outlet.

### Optimized For Apple

#### Ultimate Versatility

Each CUBE Cart integrates seamlessly with nearly any Apple Power Adapter (not included), providing the ultimate experience in cord management.

### Size Matters

#### Compact Footprint

Designed to optimize space, our CUBE Carts maneuver easily through standard doorways and store a wide array of MacBook and iPad devices.

#### Cable Management

Notched hooks make it easy to organize cables and position cords neatly above devices.

#### Ready to Use

Built to last, each unit is fully-welded with USA-sourced steel. Ships fully assembled and ready to use.

#### Sleek Storage

Lockable lower panel conceals adapters safely below devices, which are kept upright and protected.

#### Unmatched Safety

Our CUBE Carts are UL listed, ensuring the highest level of safety.
