

## **MITIGATION MONITORING AND REPORTING PROGRAM SUMMARY TABLE**

The following mitigation monitoring and reporting program (MMRP) summary table includes the mitigation measures identified in the Santa Clara Valley Water District (Valley Water) Final Mitigated Negative Declaration (MND) for the Saratoga Creek Hazard Tree Removal and Restoration Project. For each mitigation measure, this table identifies monitoring and reporting actions that will be carried out, along with the monitoring schedule. This table also includes a column summarizing the responsible parties for implementing actions prescribed in the mitigation measures.
