FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

- Judicial Department, Courts Administration, Central Appropriations, Health, Life, and Dental; Office of the State Public Defender, Health, Life, and Dental; Office of the Alternate Defense Counsel, Health, Life, and Dental; Office of the Child's Representative, Health, Life, and Dental; Office of the Respondent Parents' Counsel, Health, Life, and Dental; Office of the Child Protection Ombudsman; Independent Ethics Commission -- The General Fund appropriation includes a decrease for judicial branch agencies that totals \$15,086,946 and is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.
