Points to Consider

Future Fiscal Impact

Although this bill would not require a General Fund appropriation for FY 2025-26, it is projected to require General Fund appropriations of \$26,000 in FY 2026-27 and future years.

Revenue Source

The bill is dependent on gifts, grants, and donations. For implementation, the bill requires expenditures of \$209,853 in FY 2025-26. If the necessary revenue from these sources is not realized, the implementation of this bill is at risk. The future use of General Fund, or any other source of state

funding, to implement a bill that is exclusively funded by gifts, grants, and donations is prohibited pursuant to Section 24-75-1305, C.R.S.

Is it the General Assembly's intent to fund this program exclusively through gifts, grants, and donations?
