9     **FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

10

11     116     Department of Treasury, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$77,812 that is equal to 5.0 percent  
 12     of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal  
 13     services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across  
 14     all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the  
 15     General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services  
 16     appropriations augmented by Department allocations from central benefits appropriations.
