101     **CONCERNING THE RECOGNITION OF OBSTACLES FACED BY CHILDREN**  
102           **WHOSE PARENTS HAVE DIED WHILE SERVING IN THE U.S. ARMED**  
103           **FORCES.**

---

1           WHEREAS, With over 49,000 active-duty and reserve military  
2           personnel and over 450,000 military veterans as of 2016, Colorado is, by  
3           extension, home to a large military family population; and

4           WHEREAS, The brave men and women who serve our country  
5           through the military often place their lives at great risk to ensure our  
6           continued freedom as U.S. citizens; and

7           WHEREAS, Sadly, some of these brave members of the U.S.  
8           Armed Forces die while in service, leaving behind families with children  
9           who must face a future without the support of their parent; and

1        WHEREAS, While fallen military service members make the  
2        ultimate sacrifice, the long-term impact of this devastating loss for the  
3        service member's children is often overlooked; and

4        WHEREAS, According to the Survivor Outreach Services Office  
5        at Fort Carson, more than 300 children of fallen service members live in  
6        Colorado, and the average age of these children at the time of their  
7        parental loss is seven years old; and

8        WHEREAS, A child who suffers the traumatic loss of a parent is  
9        three times more likely to face depression and post-traumatic stress  
10       disorder, and children who have lost a parent while the parent was serving  
11       in the U.S. Armed Forces are at a higher risk for struggles with anxiety,  
12       substance abuse, criminal behavior, school underachievement, and  
13       suicide; and

14       WHEREAS, The primary support the federal government offers  
15       to families of fallen military service members is through dependency and  
16       indemnity compensation, a meager monetary supplement that barely  
17       covers basics needs for these grieving children who need additional  
18       services and supports to cope with their parental loss; and

19       WHEREAS, Several nonprofit organizations have stepped in to  
20       offer financial and social services for these bereaved children, such as  
21       college scholarship opportunities and brief social outings like week-long  
22       camps, but only one nonprofit organization in Colorado, Angels of  
23       America's Fallen, formed with the sole purpose to serve children of fallen  
24       military service members not only at their time of loss but also throughout  
25       their childhood; and

26       WHEREAS, Angels of America's Fallen's goal to stand alongside  
27       the children of fallen military service members, empowering and  
28       encouraging them on a long-term basis by engaging them in healthy  
29       developmental extracurricular activities that help them feel cared for and  
30       supported as they find positive outlets for their grief, provides a powerful  
31       model that other organizations can emulate to reach many more children  
32       whose loss of a military parent during service has created a heartbreakin  
33       absence in their lives; now, therefore,

34       *Be It Resolved by the House of Representatives of the Seventy-first  
35       General Assembly of the State of Colorado, the Senate concurring herein:*

1           That we, the Colorado General Assembly:

2           (1) Recognize the painful sacrifice made by the children of our  
3 state's fallen U.S. Armed Forces members;

4

5           (2) Commend the honorable work nonprofit organizations do to  
6 help provide vital social services for children suffering the loss of a  
7 military parent; and

8           (3) Encourage fellow Coloradans to remember and support the  
9 long-term healing process these bereaved children face as they grow up  
10 without the daily love and support of their fallen parent.

11           *Be It Further Resolved*, That copies of this Joint Resolution be sent  
12 to Joe Lewis, Founder and Chief Executive Officer, Angels of America's  
13 Fallen; Shelli Lewis, Co-founder, Angels of America's Fallen; Mike  
14 Shiels, Chief Operations Officer, Angels of America's Fallen; Frank  
15 McCurdy, President, United Veterans Committee of Colorado;  
16 Commander-in-Chief of Veterans of Foreign Wars Colorado; Jay Bowen,  
17 Department Commander, The American Legion Department of Colorado;  
18 the Commanders at Buckley Air Force Base, Peterson Air Force Base,  
19 Schriever Air Force Base, Cheyenne Mountain Air Force Station, Fort  
20 Carson, and the United States Air Force Academy; U.S. President Donald  
21 Trump; U.S. Secretary of Defense James Mattis; Governor John  
22 Hickenlooper; and the members of Colorado's Congressional delegation.
