Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision reducing the General Fund appropriation to the Department of Revenue in FY 2017-18 by \$20,387. This provision also states that the reduction is based on the assumption that the Department will no longer require 0.5 FTE associated with it.

Points to Consider*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. The budget package allocates a total of \$12.5 million General Fund for 2017 legislation that is not accounted for in the budget package, including \$11.7 million to be available for appropriations plus \$0.8 million for the associated 6.5 percent statutory reserve. If this amount is not used to fund legislation, it will remain in the General Fund reserve.
