from the governor's office, executive branch agencies, military organizations, institutions of higher education, the attorney general's office, and the state auditor's office.

The department of public safety may coordinate with specified entities to define the operational requirements for in-state and interstate operational and training networks. The coordinating entities may:

- ! Consider establishing memoranda of understanding or interstate compacts with entities that encourage the interstate sharing of information for cybersecurity;
- ! Support the requirements for the fusion of cyber defense, cyber surveillance, and international and domestic intelligence and law enforcement operations;
- ! Consider network infrastructures for interstate cyber training and operations;
- ! Support secure Colorado requirements to identify threats and vulnerabilities, defend state cyber infrastructures, and investigate and enforce cyber-related crimes; and
- ! Conduct training, inspections, and operational exercises.

The university of Colorado at Colorado Springs (UCCS), in partnership with a nonprofit organization that supports national, state, and regional cybersecurity initiatives (nonprofit organization), may establish and expand cyber higher education programs and establish needed cyber education and training laboratories in specified subject areas. UCCS and the nonprofit organization may:

- ! Coordinate with the United States department of homeland security and the national security agency to certify cyber courses and curricula;
- ! Coordinate planning for cyber education with appropriate institutions of higher education;
- ! Identify appropriate curricula for community college and technical certification programs and for elementary and secondary education feeder programs;
- ! Establish a public policy think tank as an academic research center of excellence for government, academic, and industrial communications, conferences, research, and publications; and
- ! Establish education, training, and academic symposia for government leaders at all levels.

UCCS and the nonprofit organization also may establish a secure environment for research and development, initial operational testing and evaluation, and expedited contracting for production for industrial cyber products and techniques and may consider:

- ! Creating a business plan to develop a secure facility on the property of UCCS to allow physical, electronic, proprietary, and administrative security;

- ! Exploring secure facility development and use at other Colorado universities and facilities;
- ! Establishing relationships with appropriate federally funded research and development corporations under the sponsorship of the United States department of defense and the United States department of homeland security;
- ! Consider establishing relationships with certain existing federally funded research and development corporations, or consider creating a new organization to focus on defense and homeland security requirements;
- ! Establishing cooperative relationships with Colorado cyber companies and other businesses, local governments, and other Colorado institutions with requirements for cybersecurity participation;
- ! Establishing cooperative relations with civilian industrial producers; and
- ! Linking to local and national military, homeland security, and intelligence community activities to support research and development, rapid test and evaluation, contracting, and production requirements.

The cybersecurity cash fund (fund) is created in the state treasury. The fund consists of any money that the general assembly may appropriate or transfer to the fund. Subject to annual appropriation, the regents of the university of Colorado may expend money from the fund for the purposes of the bill. The cybersecurity gifts, grants, and donations account (account) is created in the fund. The regents of the university of Colorado may seek, accept, and expend gifts, grants, or donations from private or public sources for the purposes of the bill and are required to credit any such gifts, grants, or donations to the account. The moneys in the account are continuously appropriated to the department of higher education for use by the regents of the university of Colorado for the purposes of the bill.

1 *Be it enacted by the General Assembly of the State of Colorado:*

SECTION 1. In Colorado Revised Statutes, **add** part 19 to article 33.5 of title 24 as follows:

PART 19

COLORADO CYBERSECURITY

6 **24-33.5-1901. Legislative declaration.** (1) THE GENERAL
7 ASSEMBLY HEREBY FINDS AND DECLARES THAT:

1 (a) CYBER THREATS HAVE CONTINUED TO GROW IN SIGNIFICANCE,
2 SCALE, SCOPE, AND SOPHISTICATION IN THE PAST SEVERAL YEARS;

3 (b) A DRAMATIC INCREASE IN THE NUMBER OF CYBER ATTACKS
4 AGAINST PUBLIC, PRIVATE, AND NONPROFIT ENTITIES AND INDIVIDUAL
5 CITIZENS, COUPLED WITH INADEQUATE RESOURCES TO RESPOND TO SUCH
6 ATTACKS, HAVE MADE CYBERSECURITY A TOP PRIORITY;

7 (c) COLORADO IS WELL-SUITED TO SERVE AS A LOCATION FOR
8 COMPREHENSIVE CROSS-SECTOR AND INTERSTATE STRATEGY TO SUPPORT
9 THE RESPONSE AGAINST THESE ATTACKS AND THE EDUCATION AND
