1	<u>79</u>	Department of Local Affairs, Executive Director's Office, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease					
2		of \$235,018 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund					
3		appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and					
4		engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and					
5		Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions,					
6		be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.					
7							
8	80	Department of Local Affairs, Executive Director's Office, Moffat Tunnel Improvement District -- It is the General Assembly's intent that the Department					
9		continue its current practice of retaining lease payment revenues in the Moffat Tunnel Cash Fund and suspending distribution payments to Improvement					
10		District counties because this practice ensures that funds remain available to cover any potential Improvement District liabilities related to the Tunnel and any					
11		costs related to studies or other actions that need to occur prior to the expiration of the lease with Union Pacific Railroad in 2025 in order to protect the interests					
12		of the Improvement District and the State.					
13							
14	81	Department of Local Affairs, Division of Housing -- It is the General Assembly's intent that the Department target state General Fund appropriations for					
15		affordable housing to projects and clients that can be reasonably expected to reduce other State costs. It is the General Assembly's further intent that the					
16		Department prioritize State-funded rental assistance for the following populations: Medicaid clients who are transitioning from a nursing home or long-term					
17		care facility; clients transitioning from a State Mental Health Institute or a State-funded behavioral healthcare facility; and clients transitioning from the

83	Department of Local Affairs, Division of Housing, Field Services, Affordable Housing Program Costs; and Affordable Housing Construction Grants and Loans pursuant to Section 24-32-721, C.R.S. -- It is the General Assembly's intent that appropriations for State administration of affordable housing construction grants and loans, including administration funding authorized pursuant to Section 24-32-721(3)(b), C.R.S., be expended in the Affordable Housing Program Costs line item.						
83a	Department of Local Affairs, Division of Local Government -- The General Assembly's intent is that the Governor allocate as grants to the 59 counties that did not receive direct allocations from the Coronavirus Relief Fund any of the \$1.6 billion federal funds allocated to the State from the Coronavirus Relief Fund under Title VI of the federal Social Security Act that the Governor has allocated but that recipients cannot spend because such expenditures are deemed not COVID-related or otherwise inconsistent with federal requirements for the use of these funds.
