A BILL FOR AN ACT

101 **CONCERNING THE COMPENSATION OF CIVIL DEFENSE WORKERS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

During disaster emergencies, the state uses incident management teams to provide on-scene incident management support during incidents or events that exceed a local jurisdiction's capability or capacity. Some of these incident management teams are staffed by civil defense workers. Under current law, certain civil defense workers are not eligible to be compensated for their response. The bill removes this limitation and allows those civil defense workers to be compensated for their response.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
