	\$	\$	\$	\$	\$	\$	\$
1	<u>71</u>	Department of Labor and Employment, Executive Director's Office, Health, Life, and Dental -- The General Fund appropriation includes a decrease of					
2		\$276,218 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation					
3		is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more					
4		considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit					
5		provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid					
6		within personal services appropriations augmented by Department allocations from central benefits appropriations.					
7							
8	<u>71a</u>	Department of Labor and Employment, Division of Unemployment Insurance -- The General Assembly's intent is that the Governor deposit into the					
9		Unemployment Compensation Fund any of the \$1.6 billion federal funds received from the Coronavirus Relief Fund under Title VI of the federal Social					
10		Security Act that the Governor has allocated but that recipients cannot spend because such expenditures are deemed not COVID-related or otherwise					
11		inconsistent with federal requirements for the use of these funds.					
12							
13	<u>71b</u>	Department of Labor and Employment, Division of Unemployment Insurance -- The General Assembly's intent is that employers' unemployment insurance					
14		premiums not be increased in January 2021, which may be accomplished through the deposit of additional funds into the Unemployment Compensation Fund					
15		or a statutory change. Legislative Council Staff calculates that to avoid a solvency surcharge, the balance in the Unemployment Compensation Fund on June					
16		30, 2020, must be at least \$684.9 million. Legislative Council Staff also calculates that to avoid any increase in the unemployment insurance premium rate					
17		schedule, the balance in this fund on June 30, 2020, must be at least \$1,095.9 million. The June 30, 2020, balance in this fund is expected to range from below

3							
4	<u>72</u>	Department of Labor and Employment, Division of Employment and Training, Veterans Service-to-Career Program -- It is the General Assembly's intent that					
5		the Department use this appropriation for grants to workforce centers that are partnering with integrated service and support centers for veterans, consistent					
6		with the provisions of Section 8-14.3-203 (5)(a), C.R.S.
