Bill Outcome: Signed into Law
Drafting number: LLS 25-0900

Version: Final Fiscal Note
Date: October 8, 2025

Fiscal note status: This final fiscal note reflects the enacted bill.

Summary Information

Overview. The bill directs the Legislative Council not to prioritize any interim committee or task forces, and suspends the activity and reporting requirements of several committees, for the 2025 interim.

Types of impacts. The bill is projected to affect the following areas, primarily in FY 2025-26, with certain impacts continuing in FY 2026-27:

- State Expenditures

Appropriations. For FY 2025-26, the bill requires and includes a net reduction in appropriations of \$272,355 from the Legislative Department. It also includes an appropriation increase of \$45,000 (see Technical Note).

Summary of Legislation

The bill directs the Legislative Council not to prioritize any interim committee or task forces for the 2025 interim. Further, for any interim committee that does meet, the bill limits them to requesting that no more than five bills to be drafted and recommending no more than three bills for introduction in the 2026 regular session.

The bill also suspends all meetings, trips, bill recommendations, and reporting requirements during the 2025 interim for the following committees:

- Colorado Health Insurance Exchange Oversight Committee;
- Legislative Emergency Preparedness, Response, and Recovery Committee;
- Legislative Oversight Committee Concerning Colorado Jail Standards;
- Legislative Oversight Committee Concerning Tax Policy and Task Force;
- Opioid and Other Substance Use Disorders Study Committee;
- Pension Review Committee and Subcommittee;
- Sales and Use Tax Simplification Task Force; and
- Statewide Healthcare Review Committee.

In addition, the following committees are limited in their travel and member reimbursements:

- Colorado Youth Advisory Council (COYAC) Review Committee;
- Capital Development Committee; and
- Legislative Oversight Committee Concerning the Treatment of Persons with Behavioral Health Disorders in the Criminal and Juvenile Justice Systems.

Finally, beginning 2025, the COYAC Review Committee may no longer request legislation.

Background

The following committees will meet in the 2025 interim:

| • Joint Technology Committee | |

Other bills still passed by the General Assembly during the 2025 session that impact interim committees include:

- [House Bill 25-1057](#), which would make the Legislative Interim Committee on American Indian Affairs an ongoing interim committee from 2026 to 2030; and
- [Senate Bill 25-155](#), which would create the Legislation Inside Advisory Council and Review Committee.

The impacts associated with those committees are addressed in the fiscal notes for those bills and are not included in this analysis.

State Expenditures

The bill decreases state General Fund expenditures in the Legislative Department by about \$272,000 in FY 2025-26 and \$7,000 in FY 2026-27 and ongoing. Expenditure reductions are summarized in Table 2 and discussed below.

Total FTE	-2.6 FTE	-0.1 FTE

¹ Additional detail for staffing costs (personal services, operating and capital outlay), legislator per diem and expense reimbursement, and committee travel are shown in Tables 3 and 4 below.

Staffing Costs

The bill reduces the required staffing in the Legislative Department by 2.6 FTE in FY 2025-26 and 0.1 FTE in FY 2026-27 as a result of the suspension of certain interim committees. This includes a reduction of LCS staff support for meetings and committee research (1.3 FTE), and OLLS staff to draft legislation (1.3 FTE). Personal services expenditure reductions reflect the staff appropriated for each interim committee. As detailed in Tables 3 and 4, suspending some committees will only reduce per diem and legislator reimbursement, but not personal services, as the agencies have not received appropriations to staff those committees. Reductions to operating expenses and capital outlay costs for OLLS are also identified above.

Legislator Reimbursement and Per Diem

Legislator reimbursements for committee activates are expected to decrease by about \$72,000 in FY 2025-26. Reductions are based on a per diem of \$111.95 for each legislator and travel reimbursements of \$124 per member per meeting at the capitol and \$219 for meetings not at the capitol.

Travel Costs

The suspension of the Statewide Healthcare Review Committee and limits on Capital Development Committee travel reduces travel costs for committee members and legislative staff by about \$15,000 in FY 2025-26 only.

Technical Note

Initially, this bill, SB 25-199, eliminated a requirement that Legislative Council Staff contract with a nonprofit organization to facilitate COYAC. [Senate Bill 25-188](#), the Legislative Appropriations Act, accounted for a \$45,000 reduction in appropriations from eliminating this contract. However, this bill, SB 25-199, was amended by the Senate to remove the provision eliminating the contract. Because SB 25-188 had already passed through both chambers of the General Assembly, a \$45,000 appropriation for the contract for FY 2025-26 has been added to SB 25-199 to restore this funding. Because this bill does not currently make any adjustments to the COYAC contractor, the fiscal note does not account for the inclusion of this funding as an increase in expenditures; instead, the \$45,000 appropriation is a technical correction to restore funding to levels required under current law.

Effective Date

The bill was signed into law by the Governor and took effect on April 30, 2025.

State Appropriations

For FY 2025-26, the bill requires and includes the following reductions in General Fund appropriation totaling \$272,355 to the Legislative Department, including:

- a reduction of \$104,161 from Legislative Council Staff and a reduction of 1.3 FTE;
- a reduction of \$96,246 from the Office of Legislative Legal Services and a reduction of 1.3 FTE; and
- a reduction of \$71,948 from the General Assembly for legislator per diem and reimbursement.

The bill also includes an appropriation of \$45,000 from the General Fund to the Youth Advisory Council Cash Fund (see Technical Note section above).
