**Current Appropriations Clause in Bill**

The bill contains an appropriation clause that appropriates \$4.0 million to the Office of the Governor. However, the appropriations clause, as currently drafted, requires technical corrections to include the statutory citation of the identified cash fund and the relevant line item of appropriation.

**Description of Amendments in This Packet**

**J.001**

Staff amendment **J.001** (attached) strikes and replaces the existing appropriation clause, appropriating a total of \$4,000,000 cash funds from the Infrastructure Investment and Jobs Act Cash Fund to the Office of the Governor for FY 2025-26. Money remaining in the fund at the end of FY 2025-26 remains available for the Office of the Governor to spend in FY 2026-27.
