Summary of Legislation

During the 2024 legislative interim, the American Indian Affairs Interim Study Committee met as a temporary interim committee approved by the Legislative Council Committee. This bill creates the Legislative Interim Committee on American Indian Affairs as an ongoing interim committee for the 2026 through 2030 legislative interims. The committee consists of six legislators, including three members from each chamber. It may hold up to six meetings during each legislative interim and request up to five bills per year. The committee must prepare a final report on their actions over the previous five years by January 15, 2031.

State Expenditures

Starting in FY 2026-27, the bill increases General Fund expenditures in the Legislative Department by about \$51,000 per year through FY 2030-31. These costs are outlined in Table 2 and described below.

The committee includes six members who meet six times per interim. Legislator reimbursements are estimated to cost \$9,634 per year. Centrally Appropriated Costs

Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which may include employee insurance, supplemental employee retirement payments, leased space, and indirect cost assessments, are shown in the expenditure table above.
