Initiative 2021-2022 #78: Minimum Reimbursement Fee for Covered Dental Procedures  
Performed by Medicaid Providers

Shall there be a change to the Colorado Revised Statutes concerning the creation of a standard process to set a minimum reimbursement fee for covered Medicaid dental procedures performed by Medicaid providers in Colorado; by setting the minimum reimbursement fee for a covered Medicaid dental procedure equal to or greater than the lowest tenth percentile of fees nationally according to the most recent American Dental Association "Survey of Dental Fees" with this measure becoming effective immediately following passage?
