## Summary of Legislation

---

The bill repeals the Colorado Career Advisor Training Program in the Colorado Department of Education.

## Background

---

The Colorado Career Advisor Training Program was created in [Senate Bill 22-165](#) to support training for career advisors. The department has developed an online course and several other online tools for career advisors and advisees.

## State Expenditures

---

By eliminating the program, the bill reduces state General Fund expenditures in the Colorado Department of Education by \$1.0 million per year beginning in the current FY 2024-25. It is assumed that current projects funded by the program will be wrapped up using existing funds from FY 2023-24. As a result, the reduction in expenditures from repealing the program is expected to begin in the current FY 2024-25.

## Effective Date

---

This bill was signed into law by the Governor and took effect on April 28, 2025.

## State Appropriations

---

For FY 2024-25 and FY 2025-26, the bill reduces required General Fund appropriations to the Colorado Department of Education by \$1,000,000. It is assumed that this reduction will be made in the Long Bill, rather than in this bill.
