	<b>Non-Concurrence:</b> JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The House Appropriations Committee Report (04/25/18) added a provision that provides a transfer of up to \$2.9 million from the Colorado Economic Development Fund to the General Fund for FY 2018-19 if it is determined that a reduction of General Fund revenue has occurred in FY 2018-19 as a direct result of the bill. **Legislative Council Staff and JBC Staff agree that this provision eliminates the potential General Fund revenue reduction impact of the bill for FY 2018-19.** Second reading amendments adopted in the House (04/26/18) and the Senate Finance Committee Report (05/02/18) include amendments to the bill, however, Legislative Council Staff and JBC Staff agree that the amendments do not change the fiscal impact of the bill.

Amendment	Description
None.	

**Current Appropriations Clause in Bill**

The bill neither requires nor contains an appropriation clause for FY 2018-19.

**Points to Consider***General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2018-19 based on the March 2018 Office of State Planning and Budgeting revenue forecast. The budget package leaves approximately \$40.8 million General Fund unallocated. This bill is anticipated to either reduce General Fund revenues by up to \$2.9 million, reducing the excess General Fund reserve by the same amount, or increase General Fund revenues by up to \$8.6 million, increasing the excess General Fund reserve by the same amount. However, the provision included in the House Appropriations Committee Report (04/25/18) eliminates the potential General Fund revenue reduction impact for FY 2018-19.

*Future Fiscal Impact*

The bill requires an appropriation in FY 2019-20 to the Department of Revenue of \$303,167 General Fund and is based on the assumption that the Department will require an additional 3.0 FTE. The appropriation increases by \$7,891 General Fund in FY 2020-21 and future years.

This bill is anticipated to either reduce General Fund revenues by up to \$6.1 million or increase General Fund revenues by up to \$18.3 million in FY 2019-20 and subsequent years.
