**A BILL FOR AN ACT**

101 **CONCERNING PROTECTING ACCESS TO GENDER-AFFIRMING HEALTH**  
102 **CARE.**

**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

Under current law, health benefit insurance plans (health benefit plans) include coverage for "gender-affirming health care" as part of individual and group health benefit plans. "Gender-affirming health care" is defined in the bill as supplies, care, and services of a medical, behavioral health, mental health, psychiatric, habilitative, surgical, therapeutic, diagnostic, preventive, rehabilitative, or supportive nature

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters or bold & italic numbers indicate new material to be added to existing law.*  
*Dashes through the words or numbers indicate deletions from existing law.*

relating to the treatment of gender dysphoria (gender-affirming health care). The bill codifies gender-affirming health care treatments in statute and prohibits a health benefit plan from denying or limiting medically necessary gender-affirming health care, as determined and prescribed by a physical or behavioral health-care provider (health-care provider).

In addition, the bill exempts prescriptions for testosterone from the tracking requirements of the prescription drug use monitoring program and blocks archived records from view.
