Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides \$14,092 General Fund to the Department of Human Services for FY 2021-22. This provision also states that the appropriation is based on the assumption that the Department will receive \$7,260 federal funds to implement the act.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The budget package includes a set aside of \$48.0 million General Fund for bills that require General Fund appropriations for FY 2021-22. This bill requires a General Fund appropriation of \$14,092 for FY 2021-22, reducing the \$48.0 million set aside by the same amount.
