Summary of Legislation

The bill repeals the Gray and Black Market Marijuana Enforcement Grant Program on June 30, 2026, and specifies that the Division of Local Government in the Department of Local Affairs (DOLA) must not award any grants from the program in FY 2025-26.

Background

The program was created by [House Bill 17-1221](#) and uses a formula to distribute grants to local law enforcement agencies and district attorneys to assist with enforcement of unlicensed marijuana cultivation and related crimes. The program receives an annual appropriation of approximately \$976,000 from the Marijuana Tax Cash Fund (MTCF).

State Expenditures

The bill decreases state expenditures in the DOLA by \$795,117 in FY 2025-26 and by \$976,679 and 1.5 FTE beginning in FY 2026-27, from the MTCF. In FY 2025-26, the fiscal note assumes a partial reduction, as the department will retain \$175,100 to maintain staff to oversee all currently open contracts made through the grant program. In FY 2026-27, the program is fully repealed.

Local Government

Local law enforcement agencies that currently receive grant funds will no longer. Grant contracts that are currently open will continue through FY 2025-26, but no new grants will be awarded.

Effective Date

The bill was signed into law by the Governor and took effect on April 24, 2025.

State Appropriations

For FY 2025-26, the bill decreases required appropriations from the Marijuana Tax Cash Fund to the Department of Local Affairs by \$795,117. The reduction was made in the FY 2025-26 Long Bill, rather than this bill.
