Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$50,000 to the Office of the Governor for FY 2023-24. These are reappropriated funds from the Department of Labor and Employment (CDLE) from revenue from the Just Transition Cash Fund. This provision also states that the appropriation is based on the assumption that the Office will require an additional 0.1 FTE. The provision further appropriates \$166,374 federal funds to the Colorado Energy Office, which is shown for informational purposes only.
