1     *Be it enacted by the General Assembly of the State of Colorado:*

2             **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds that:

4             (a) Proposition 114, the ballot measure enacted in 2020 that  
5 authorized the process to introduce gray wolves in Colorado, explicitly  
6 required the state to fairly compensate owners for losses of livestock  
7 caused by gray wolves in addition to losses of livestock caused by other  
8 wildlife;

9             (b) To fulfill this obligation, the general assembly passed and the  
10 governor signed into law Senate Bill 23-255, enacted in 2023, which,  
11 along with funding sources that exist for damages resulting from other  
12 types of wildlife, created a dedicated compensation fund to compensate  
13 owners for depredation of livestock and working animals by gray wolves;

14            (c) Now that gray wolves have been released and are present in  
15 Colorado, along with depredation by other wildlife, livestock and  
16 working animals have been killed by wolves, entitling ranchers to  
17 compensation for the losses; and

18            (d) However, ranchers in the state have been reluctant to  
19 participate in site assessments and file claims for compensation due to the  
20 fear of their personal information being made public through open  
21 records requests brought by individuals and organizations with the intent  
22 of:

23            (I) Traveling to the rancher's home or business to view gray  
24 wolves and other wildlife;

25            (II) Contacting the rancher directly; or

1 (III) Using the rancher's personal information to conduct other  
2 invasions of the rancher's privacy.

3 (2) The general assembly therefore declares that:

4 (a) It is the intent of the state through the enactment of Proposition  
5 114 and Senate Bill 23-255 to prevent future depredations and fairly  
6 compensate ranchers for their losses; and

7 (b) By protecting the personal information of people that make  
8 compensation claims, more ranchers will be comfortable submitting  
9 depredation claims to the division of parks and wildlife and participating  
10 in proactive nonlethal measures, and the intent of Proposition 114 and  
11 Senate Bill 23-255 will be better fulfilled.

12 **SECTION 2.** In Colorado Revised Statutes, 24-72-204, add  
13 (3)(a)(XXIV) as follows:

14 **24-72-204. Allowance or denial of inspection - grounds -**
