6

7     62     Department of Law, Legal Services to State Agencies -- In making this appropriation, it is the General Assembly's intent that hourly billing rates charged by  
8             the Department for legal services to state agencies not exceed \$110.83 per hour for attorneys and not exceed \$85.05 per hour for legal assistants, which equates  
9             to a blended legal rate of \$106.56 per hour.

10

11     63     Department of Law, Special Purpose, Litigation Management -- It is the General Assembly's intent to grant the Department of Law additional flexibility by  
12             allowing the Department to use money appropriated to this line item to address unanticipated state legal needs that arise during FY 2017-18. It is also the  
13             General Assembly's intent that money spent from this line item does not require the appropriation of additional FTE and will not be used for any type of salary  
14             increase, promotion, reclassification, or bonus related to any present or future FTE employed by the Department of Law. It is furthermore the General  
15             Assembly's intent that money spent from this line item will not be used to offset present or future personal services deficits in any division in the Department.
