Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$4,918 General Fund to the Department of Public Safety for FY 2022-23. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.1 FTE to implement the act.

Points to Consider*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2022-23 based on the March 2022 Legislative Council Staff revenue forecast. The budget package includes a set aside of \$40.0 million General Fund for bills that require General Fund appropriations for FY 2022-23. This bill requires a General Fund appropriation of \$4,918 for FY 2022-23, reducing the \$40.0 million set aside by the same amount.
