**FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

- 33a Department of Health Care Policy and Financing, Totals; Department of Higher Education, College Opportunity Fund Program, Fee-for-service Contracts with State Institutions, Fee-for-service Contracts with State Institutions for Specialty Education Programs; and Governing Boards, Regents of the University of Colorado -- The Department of Higher Education shall transfer \$800,000 to the Department of Health Care Policy and Financing for administrative costs and family medicine residency placements associated with care provided by the faculty of the health sciences center campus at the University of Colorado that are eligible for payment pursuant to Section 25.5-4-401, C.R.S. If the federal Centers for Medicare and Medicaid services continues to allow the Department of Health Care Policy and Financing to make supplemental payments to the University of Colorado School of Medicine, the Department of Higher Education shall transfer the amount approved, up to \$88,640,763, to the Department of Health Care Policy and Financing pursuant to Section 23-18-304(1)(c), C.R.S. If permission is discontinued, or is granted for a lesser amount, the Department of Higher Education shall transfer any portion of the \$88,640,763 that is not transferred to the Department of Health Care Policy and Financing to the Regents of the University of Colorado.
- 34 Department of Higher Education, Colorado Commission on Higher Education and Higher Education Special Purpose Programs, Special Purpose, Institute of Cannabis Research Hosted at CSU - Pueblo -- Of the appropriation in this line item, \$500,000 remains available until the close of the 2024-25 fiscal year.
- 34a Department of Higher Education, Colorado Commission on Higher Education and Higher Education Special Purpose Programs, Special Purpose, Healthy Forests and Vibrant Communities Fund at Colorado State University -- The amount in this line item includes a one-time appropriation of \$2,000,000 General Fund, which is intended to support 5.0 FTE at the Colorado State Forest Service over four years to implement Good Neighbor Authority projects based on agreements with federal agencies to accomplish forest management goals on federal lands.
- 35 Department of Higher Education, Colorado Commission on Higher Education and Higher Education Special Purpose Programs, Tuition/Enrollment Contingency -- The Colorado Commission on Higher Education may transfer spending authority from this line item to the Governing Boards if tuition revenue increases beyond appropriated levels. The spending authority for this line item is in addition to the funds appropriated directly to the Governing Boards. It is the General Assembly's intent that the Colorado Commission on Higher Education transfer spending authority from this line item to allow institutions to receive and expend tuition revenue beyond appropriated levels that results from higher than expected enrollment and not to support tuition increases that exceed the assumptions outlined in the footnotes for each governing board.
- 36 Department of Higher Education, Colorado Commission on Higher Education and Higher Education Special Purpose Programs, Indirect Cost Assessments -- This line item incorporates a reduction in indirect cost collections from the higher education governing boards. This change reduces a double-count of revenue under which the Department disburses funds to the institutions and then counts indirect cost assessments received from the institutions as revenue to the State's TABOR district. This change is expected to enable the State to retain an additional \$4,901,811 in General Fund revenue under the State's

37	Department of Higher Education, Colorado Commission on Higher Education Financial Aid, Work Study - Two percent of the Work Study appropriation remains available for expenditure until the close of the 2024-25 state fiscal year.						
38	Department of Higher Education, Governing Boards, Trustees of Adams State University, Trustees of Colorado Mesa University, Trustees of Metropolitan State University of Denver, Trustees of Western Colorado University, Board of Governors of the Colorado State University System, Trustees of Fort Lewis College, Regents of the University of Colorado, Trustees of the Colorado School of Mines, University of Northern Colorado, and State Board for Community Colleges and Occupational Education State System Community Colleges -- The amounts in these line items are calculated based on the assumption that no undergraduate student with in-state classification will pay more tuition in FY 2023-24 than five percent over what a student would have paid in FY 2022-23 for the same credit hours and course of study, except that the calculation for the University of Northern Colorado is based on the assumption that no undergraduate student with in-state classification will pay more tuition in FY 2023-24 than six percent over what a student would have paid in FY 2022-23 for the same credit hours and course of study and the calculation for Colorado Western University incorporates an assumption that resident undergraduate students enrolled in the university's engineering program will be assessed differential tuition that will result in a tuition increase of up to forty-nine percent over what a student would have paid in FY 2022-23 for the same credit hours and course of study . These amounts are also calculated based on the assumption that each governing board will increase tuition rates for graduate and nonresident students based on its assessment of market conditions. The General Assembly intends to adjust the amounts in these line items through supplemental action during FY 2023-24 based on updated enrollment estimates and tuition rate information.						
39	Department of Higher Education, History Colorado, Central Administration; History Colorado Museums; and Office of Archaeology and Historic Preservation -- In addition to the transfer authority provided in Section 24-75-108, C.R.S., History Colorado may transfer up to 10.0 percent of the total amount appropriated in these sections between the sections and among the line items within the sections.						
40	Department of Higher Education, History Colorado, Cumbres and Toltec Railroad Commission -- The amount in this line item is calculated based on the following assumptions: (1) This line item includes \$240,000 General Fund for annual Commission operating expenses and other routine ongoing costs including controlled maintenance; (2) the balance of the General Fund appropriation, totaling \$1,125,000, is for capital projects including locomotive boiler repair, passenger car upgrades, and track, bridge, and tunnel upgrades; and (3) the General Fund amount above the \$240,000 ongoing operating support is based on an analysis of the Railroad's capital outlay needs over a three year period and is not assumed to continue after FY 2024-25. The amount in this line item for capital projects remains available for expenditure until the close of the 2025-26 state fiscal year.						
<u>40a</u>	OF THIS APPROPRIATION, \$1,124,625 FOR ONE-TIME IT UPGRADES AND CONTRACTED PROFESSIONAL SERVICES REMAINS AVAILABLE FOR EXPENDITURE UNTIL THE COMPLETION OF THE PROJECT OR THE CLOSE OF THE 2024-25 STATE FISCAL YEAR, WHICHEVER COMES FIRST.						

**SECTION 2. Safety clause.** The general assembly finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety or for appropriations for the support and maintenance of the departments of the state and state institutions.
