The bill prohibits the jail custodian from delaying a defendant's release for the purpose of an immigration enforcement operation.

Under current law, a criminal defendant may petition a court to vacate a guilty plea to a class 1 or class 2 misdemeanor or a municipal offense if the criminal defendant alleges that:

- They were not adequately advised by defense counsel of adverse immigration consequences of a guilty plea;
- They did not knowingly, intelligently, or voluntarily waive the right to counsel because they were not advised that the right to counsel includes the right to be advised regarding immigration consequences of a guilty plea; or

Under current law, state agencies and state agencies' employees are:

- Required to comply with provisions that limit the disclosure, collection, and access to a person's personal identifying information;
