SENATE
Final Reading
February 4, 2022

1 WHEREAS, The state of Colorado is committed to the safety and
2 well-being of its citizens, both children and adults; and

3 WHEREAS, The designation of Missing Persons Day in Colorado
4 will firmly embed the importance of missing persons and their families
5 and friends in our state calendar and will raise a level of awareness with
6 other cities and states that have already designated a Missing Persons
7 Day; and

8 WHEREAS, The designation of Missing Persons Day in Colorado
9 offers a platform to plan events that will connect families with resources
10 to help identify and find their missing loved ones; and

11 WHEREAS, Each year in the United States, hundreds of thousands
12 of families are faced with what President Ronald Reagan called "the stark
13 terror of a unique tragedy" - a missing family member; and

14 WHEREAS, On December 31, 2021, the FBI reported 93,718
15 active missing persons in the United States, a large portion of them
16 juveniles under the age of 21; and

17 WHEREAS, Children and adults go missing for a number of
18 reasons: They run or wander away and become lost; they disappear under
19 circumstances indicating that their disappearance may not have been
20 voluntary; or they go missing under suspicious circumstances, indicating
21 that they may be in physical danger or the victims of foul play; and

22 WHEREAS, In 2002, Colorado Governor Bill Owens signed
23 House Bill 02-1083, establishing the AMBER (America's Missing:
24 Broadcast Emergency Response) Alert Program in Colorado; named for
25 nine-year-old Amber Hagerman, who was abducted and killed in Texas
26 in 1996; the program ensures that local law enforcement agencies can use
27 Colorado's Emergency Alert System to broadcast information to citizens
28 about missing children; and

29 WHEREAS, Since 1996, AMBER Alerts have successfully
30 recovered 1,085 children in the United States; 97 have been recovered
31 with the assistance of the Wireless Emergency Alert system; and

32 WHEREAS, In 2021 alone, the National Center for Missing and
33 Exploited Children assisted law enforcement and families in the United

1 States with more than 27,758 cases of missing children; the organization
2 lists 126 active missing child cases in Colorado, with posters circulating
3 on more than 60 of those cases; all disappeared from their families when
4 they were children; some have been missing for decades; and
5

6 WHEREAS, The designation of Missing Persons Day in Colorado
7 helps to ensure that the families and friends of the missing know that they
8 are not alone in this tragedy of uncertainties and lack of closure, which
9 leads to extreme suffering and long-lasting effects on the health, finances,
10 and relationships of those left behind; and

11 WHEREAS, Every missing person is someone's child, father or
12 mother, sibling, partner, or friend, and every missing person deserves to
13 be searched for and found; now, therefore,

14 *Be It Resolved by the Senate of the Seventy-third General*
15 *Assembly of the State of Colorado:*

16 (1) That we, the members of the General Assembly, recognize the
