Summary of Legislation

The bill renames the Office of Legislative Workplace Relations (OLWR) as the Legislative Human Resources Division and directs it to provide human resource services to members and staff of the General Assembly, the legislative staff agencies, and third parties to the extent they are covered by any policies administered by the division.

Background

[Senate Bill 19-244](#) created the OLWR within the Office of Legislative Legal Services to provide services to members and staff of the General Assembly and the legislative staff agencies related to:

- employee relations, training, and compliance;
- workplace culture, including the investigation of complaints under the workplace expectations policy; and
- workplace harassment, including the investigation of complaints under the workplace harassment policy.

The Executive Committee of Legislative Council considered the following [OLWR memorandum](#) regarding capacity to provide centralized, expanded human resources services to the Legislative Department when recommending this bill, which may include benefits administration, compensation and classification, hiring and recruitment, and new employee onboarding, among other services.

State Expenditures

For FY 2025-26, the bill requires no change in appropriations to the Legislative Department. The newly renamed division will continue to operate with its current two-person staff. In future fiscal years, the division may seek additional resources through the annual budget process.

Effective Date

The bill was signed into law by the Governor on June 3, 2025, and takes effect on August 6, 2025, assuming no referendum petition is filed
