BY SENATOR(S) Hinrichsen and Kipp, Cutter, Exum, Gonzales J., Jodeh, Michaelson Jenet, Mullica, Sullivan, Wallace, Weissman, Winter F.; also REPRESENTATIVE(S) Froelich, Bacon, Boesenecker, Brown, Clifford, Jackson, Lindsay, McCormick, Ricks, Rutinel, Sirota, Willford, Zokaie.

CONCERNING ADJUSTMENTS TO THE NECESSARY DOCUMENT PROGRAM
ADMINISTERED BY THE OFFICE OF HEALTH EQUITY IN THE
DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:

(a) The cost of identification documents can be prohibitive for some individuals, particularly individuals experiencing homelessness, individuals fleeing domestic violence, and individuals who have been displaced by a natural disaster;

(b) Without necessary identification documents, individuals cannot access financial services, drive legally, comply with certain law

enforcement requests, or access health care, housing, employment, or public services and benefits;

(c) Since 2016, the necessary document program has provided a critical service to eligible individuals who are unable to pay for essential identification documents;

(d) Certain demographic groups, such as residents of rural Colorado; unaccompanied youth; individuals who are lesbian, gay, bisexual, or transgender; and Black people, Indigenous people, and other people of color, have been overrepresented in their participation in the necessary document program and may face additional barriers to accessing the identification documents necessary to meet basic life needs;

(e) Because of the program's complicated structure, geographic inconsistencies, and low level of funding, which has remained stagnant since the program's creation, the necessary document program currently falls short of meeting statewide need by as much as 90%; and

(f) This has resulted in social service providers running out of vouchers to distribute to individuals in need, and, in some cases, the providers are covering costs out of their own pocket, which has resulted in social service providers having less money for other critical organizational functions.

(2) Therefore, the general assembly further declares that it is necessary to adjust the necessary document program to better meet the needs of Colorado by allowing eligible individuals access to identification documents available through the program at the point of service.
