7

8     14     Department of Health Care Policy and Financing, Executive Director's Office, General Administration, Health, Life, and Dental -- The General Fund  
9     appropriation includes a decrease of \$891,256 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The  
10    reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility  
11    to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to  
12    reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees,  
13    as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.
