**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)*

The board of the metropolitan football stadium district (district) currently consists of 9 directors. The bill increases this to 11 directors, allowing the city and county of Broomfield to appoint a director and the governor to appoint an additional director. Current law does not restrict the number of consecutive terms a director may serve. The bill limits directors to 2 consecutive 4-year terms.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.

*Capital letters indicate new material to be added to existing statute.*

*Dashes through the words indicate deletions from existing statute.*

The law currently allows the board to sell or lease the name and other intangible assets related to its stadium. The district has exercised this authority and the stadium complex is currently known as "Sports Authority Field at Mile High". The bill would require any future sale, lease, or other agreement to provide that the name of the stadium contains the phrase "Mile High". The bill further requires any signage depicting the stadium's name to comply with any sign code or other regulations of the municipality in which the stadium is located.
