SENATE
Amended 2nd Reading

On and after August 1, 2026, a producer selling, making available for sale, or distributing certain batteries or battery-containing products in or into the state must participate in and finance a battery stewardship organization that has submitted a plan to the executive director. On and after July 1, 2028, a retailer is prohibited from selling, offering for sale, distributing, or otherwise making available for sale certain batteries or battery-containing products in the state, unless the producer of the batteries or battery-containing products is participating in a battery stewardship organization that has an approved plan. A retailer is prohibited from charging a point-of-sale fee to consumers to cover the costs of a battery stewardship organization.

The bill specifies what a plan must contain to be approved by the executive director, including, among other things, contact information for participating producers, performance goals, and methods to promote participation in the plan and increase public awareness of the battery stewardship program (program) that will be implemented by the battery stewardship organization pursuant to the plan. In addition, a plan must detail how the battery stewardship organization will arrange for the collection of certain batteries by establishing collection sites that are freely available to any person.

A battery stewardship organization implementing an approved plan is required to develop and administer a system to collect charges from participating producers to cover the costs of implementing the program. In addition, a battery stewardship organization, in consultation with the department of public health and environment (department) and interested stakeholders, must complete an assessment of the opportunities and challenges associated with the end-of-life management of certain batteries, which assessment must be submitted to the general assembly on or before October 1, 2027.

On or before June 1, 2028, and on or before each June 1 thereafter, a battery stewardship organization with an approved plan must submit an annual report to the executive director, which report must include certain information about the preceding year of plan implementation. The bill also requires a battery stewardship organization to carry out promotional activities to increase public awareness of the program. Battery stewardship organizations with approved plans must coordinate to conduct a survey of public awareness of the programs and share the results of the survey with the executive director as part of the annual reports.

On or before December 1, 2026, and on or before each December 1 thereafter, the department must provide each battery stewardship organization with an accounting of the organization's portion of the costs in administering a program, and the battery stewardship organization is required to pay to the department an annual fee based on the department's accounting by July 1 of each year. Fees will be credited to the battery

stewardship fund created in the state treasury.

The bill requires a producer or retailer to mark certain batteries with labels that:

- Identify the producer of the batteries; and
- Include certain information to ensure the proper collection and recycling of the batteries.

Beginning January 1, 2029, a person is required to manage certain unwanted batteries through delivery to a collection site, event, or program established by a battery stewardship program. A person is prohibited from disposing of certain batteries in a landfill.

A producer or battery stewardship organization that violates any of the bill's requirements is liable for a civil penalty of \$7,000 per violation; except that a battery stewardship organization that fails to pay a fee required by the department pursuant to the bill's requirements is liable for a civil penalty that is double the applicable fee.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** In Colorado Revised Statutes, **add** part 10 to article
3 17 of title 25 as follows:

4 **PART 10**

5 **BATTERY STEWARDSHIP PROGRAMS**

6 **25-17-1001. Short title.** THE SHORT TITLE OF THIS PART 10 IS THE
7 "BATTERY STEWARDSHIP ACT".

8 **25-17-1002. Legislative declaration.** (1) THE GENERAL
9 ASSEMBLY FINDS THAT:

10 (a) MULTIPLE STUDIES HAVE ESTABLISHED THAT EXPENSIVE AND
11 HAZARDOUS RISKS RESULT FROM THE IMPROPER HANDLING AND DISPOSAL
12 OF BATTERIES. IT IS IN THE PUBLIC INTEREST OF COLORADO RESIDENTS TO
13 REDUCE THE INHERENT RISK OF FIRES THAT CAN OCCUR WHEN BATTERIES
14 ARE IMPROPERLY DISPOSED OF AND TO ENCOURAGE THE RECOVERY OF
15 VALUABLE MATERIALS IN BATTERIES THAT CAN BE PUT BACK INTO THE
16 SUPPLY CHAIN.

17 (b) ACCORDING TO ANALYSES CONDUCTED BY SEVERAL STATE

1 ORGANIZATIONS, ACCESS TO COLLECTION, RECOVERY, AND RECYCLING
2 PROGRAMS FOR PORTABLE SMALL AND MEDIUM-FORMAT BATTERIES IS
3 LIMITED, INCONVENIENT, AND COSTLY FOR MOST COLORADO RESIDENTS.
4 COLORADO COMMUNITIES THAT OPERATE BATTERY COLLECTION EVENTS
5 AND FACILITIES REPORT THAT SUCH EVENTS AND FACILITIES ARE COSTLY
6 FOR LOCAL GOVERNMENTS TO OPERATE.

7 (c) WITHOUT A COORDINATED BATTERY STEWARDSHIP PROGRAM,
8 CONSUMERS WILL CONTINUE TO BE CONFUSED ABOUT PROPER BATTERY
9 DISPOSAL;

10 (d) ENSURING THE PROPER RECOVERY OF USED PORTABLE SMALL
11 AND MEDIUM-FORMAT BATTERIES PREVENTS THE IGNITION OF FIRES AND
12 THE RELEASE OF TOXIC MATERIALS INTO THE ENVIRONMENT; AND

13 (e) IT IS THE BEST PRACTICE FOR A BATTERY STEWARDSHIP
14 PROGRAM TO COLLECT ALL BATTERY TYPES AND CHEMISTRIES, AS
15 EVIDENCED BY SUCCESSFUL BATTERY STEWARDSHIP PROGRAMS
16 OPERATING IN OTHER STATES.

17 (2) THE GENERAL ASSEMBLY THEREFORE DECLARES THAT IT IS IN
18 THE PUBLIC INTEREST OF COLORADO TO REQUIRE PRODUCERS OF
19 BATTERIES TO FINANCE AND IMPLEMENT A COORDINATED,
20 STATE-APPROVED SYSTEM THAT INCREASES ACCESS TO THE SAFE DISPOSAL
21 OF BATTERIES IN COLORADO.

22 (3) THE GENERAL ASSEMBLY FURTHER DECLARES THAT BATTERY
23 STEWARDSHIP ORGANIZATIONS ESTABLISHED PURSUANT TO THIS PART 10
24 ARE INDEPENDENT, NONGOVERNMENTAL ENTITIES AND, FOR PURPOSES OF
25 SECTION 20 OF ARTICLE X OF THE STATE CONSTITUTION, ARE NOT
26 DISTRICTS, AS DEFINED IN SECTION 20 (2)(b) OF ARTICLE X OF THE STATE
27 CONSTITUTION.
