Subject: TABOR Amendment Citizen Initiative

Dear Ms.Castle,

We write you today to submit our initial language for a proposed initiative to be placed on the 2026 General Election ballot. We seek to amend the Colorado Taxpayers Bill of Rights (TABOR) to include the word "fees".

Language is proposed as follows:

"Shall Article X Sub Section 20, paragraph 4 (a) of the Colorado Constitution be amended to include the word "fee"?"

(4) Required elections. Starting November 4, 1992, districts must have voter approval in advance for:

(a) Unless (1) or (6) applies, any new tax, **fee**, tax rate increase, mill levy above that for the prior year, valuation for assessment ratio increase for a property class, or extension of an expiring tax, or a tax policy change directly causing a net tax revenue gain to any district.

We appreciate your swift review of this proposed language and we look forward to working with you all moving forward!

Our Best,
