

# KNITTING PROJECT ORIGAMI FORTUNE TELLER

Can't decide what to work on next? Let this handy-dandy fortune teller decide your fate! Cut out along the dotted lines and fold following the instructions on the next page. Pick your project type, then your yarn weight, and then reveal what design element you are *destined* to include!

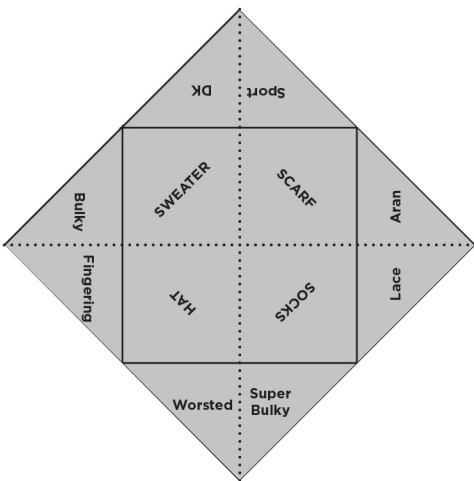

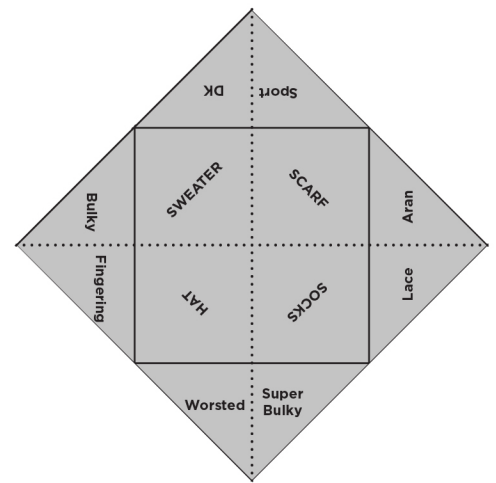

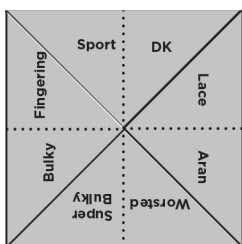

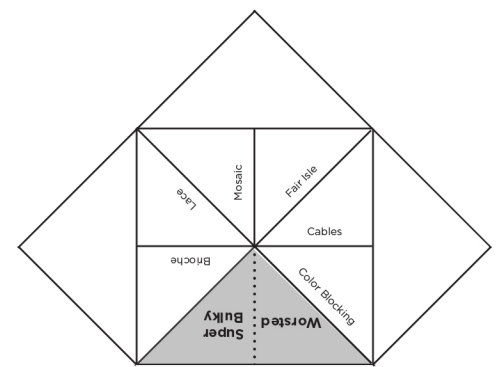

Once cut out, flip to the blank side and fold corner to corner and edge to edge (4 folds).

Fold each corner into the center of the square.

Flip to the other side and fold each corner into the center of the square

You have a finished fortune teller! Flip it over and put your fingers into the 4 folded corners and get started on your next project!
