BY CANYON GBS®

# A Better Beginning for Every Course

Concourse helps colleges turn the syllabus into a clear, accessible, and welcoming guide for every student's learning journey.

## Course Experience

### Thoughtful Design
Help faculty create syllabi that are clear, welcoming, and designed around the student experience.

### Student Success
Give students a clear view of course expectations, where to begin, and how to stay on track.

### Faculty Voice
Share expectations, resources to succeed, and the purpose behind the course.

## COURSE QUALITY

### Course Alignment
Keep course outcomes, policies, and expectations consistent across sections, programs, and terms.

### Review Readiness
Find complete, current syllabi for accreditation, accessibility, mandates, and institutional review.

### Integrated and Secure
Bring syllabi into major LMS platforms through native LTI integration, backed by ISO 27001 certification.
